

Glebedale School SAFEGUARDING POLICY

LEAD DSL: Karen Caswell

SAFEGUARDING GOVERNOR: Melissa Johnson

1.0 Policy statement

Outcomes First Group is committed to ensuring that all of the people we support are effectively safeguarded in all services including fostering, schools and residential homes at all times. This policy applies to all children and young adults receiving education in our settings. It applies when working online and offline, in settings and in all virtual communications.

Safeguarding and child protection must always be the highest priority and at the forefront of everything we do. A whole school approach is required to ensure safeguarding and child protection are embedded in all decisions, planning, policy and day-to-day operations and activities.

It is essential that everybody working within the Outcomes First Group understands their safeguarding responsibilities. Governing bodies and proprietors must ensure that staff who work directly with children read and understand Part 1 of [KCSIE 2021](#). Staff who do not work directly with children can read and understand either Part one or Annex A if it is more effective to enable them to safeguard and promote the welfare of children.

All Outcomes First Group employees working directly or indirectly with children **must** ensure that:

- children and young people feel safe and that they are listened to;
- they create an environment and culture in which children and young people feel valued;
- the best interests of the child are always considered and acted upon;
- safer recruitment procedures are rigorously followed (please refer to the Outcomes First Group Safer Recruitment Policy for further details);
- they understand their roles and responsibilities in keeping children and young people safe through ongoing learning, development and supervision;
- they are vigilant in monitoring possible signs of abuse including for those children and young people who have complex learning difficulties or specific communication needs, who may be particularly vulnerable;
- they maintain an attitude of **'it could happen here'**;
- they follow the appropriate procedures in place for sharing safeguarding concerns and that these are shared with relevant professionals in a timely manner;
- they understand and implement local safeguarding procedures as set out in local authority arrangements;
- children and young people have opportunity to learn about appropriate relationships with adults and recognise unacceptable behaviour by adults.
- they are aware that children can abuse other children (i.e. peer-on-peer abuse).
- there is a zero-tolerance approach to harassment, violence, abuse, inappropriate behaviour and bullying of any kind are not acceptable and will not be tolerated.

2.0 What is safeguarding and child protection?

2.1 Safeguarding

Safeguarding relates to the action taken to promote the welfare of children and young people to protect them from harm. This policy includes the safeguarding of young adult learners within Outcomes First Group schools and other settings and applies both offline and online.

they should take action to safeguard or promote the welfare of a child who is suffering or is likely to suffer Significant Harm.

2.8 Under s31(9) of the Children Act 1989 as amended by the Adoption and Children Act 2002:

'harm' means ill-treatment or the impairment of health or development, including for example, impairment suffered from seeing or hearing the ill-treatment of another;

'health' means physical or mental health; and

'ill-treatment' includes Sexual Abuse and forms of ill-treatment which are not physical.

Abuse or neglect is not always easy to identify; staff are more than likely to have some information but not the whole picture.

2.9 There are four defined categories of child abuse, which are deemed to be forms of 'Significant Harm':

- Neglect;
- Physical Abuse;
- Emotional Abuse;
- Sexual Abuse.

2.10 It is also important to be aware that:

- technology is a significant component in many safeguarding and wellbeing issues. Children are at risk of abuse online as well as face to face. In many cases abuse will take place concurrently via online channels and in daily life.
- that children can abuse other children (often referred to as peer-on-peer abuse). And that it can happen both inside and outside of school or college and online.

2.11 All staff must be aware of the signs and indicators of child abuse.

3.0 Local Arrangements for the school

3.1 All staff must be aware of the local arrangements for safeguarding relevant to the school in which they work;

3.2 The local arrangements for Glebedale School are as follows

3.3 Glebedale School safeguarding arrangements are in line with local safeguarding partnership arrangements. The Stoke on Trent Safeguarding Children Partnership consists of the three safeguarding partners (the local authority; a clinical commissioning group for an area within the local authority; and the chief officer of police for a police force in the local authority area)

3.4 The Local Authority Designated Officer is: John Hanlon, John.Hanlon@stoke.gov.uk , Telephone direct line: 01782 233342, Mobile number 07385 362877

3.5 All safeguarding referrals must be reported to the local authority. The school DSL should ring Stoke on Trent's Children's Advice and Duty Service – 01782 235100 or out of hours 01782 234234.

For the most up to date information follow [Safeguarding Children Partnership | Stoke-on-Trent](#)
[Safeguarding Children Partnership | Stoke-on-Trent](#)

Referrals for children and young people under 18 will be dealt with under the Children's safeguarding arrangements, whereas those 18 and above will be dealt with under the Adult Safeguarding Arrangements.

3.7 The Chair of Governors for Glebedale School is: Melissa Johnson

3.8 The Outcomes First Group Head of Safeguarding can be contacted at:
anne-marie.delaney@ofgl.co.uk

4.0 The role of Senior Managers and Governor

4.1 Governors must have oversight of safeguarding policies and procedures and ensure that they are being effectively implemented within the school and that training is effective. In line with KCSIE (2021), which states that; '*Governing bodies and proprietors should have a senior board level (or equivalent) lead to take **leadership** responsibility for their schools or college's safeguarding arrangements*'. The named Governor for the school is Melissa Johnson

4.2 Like teaching staff and volunteers, senior managers and Governors must be safely recruited and have all relevant checks on file. Please see the Group's Safer Recruitment Policy for further information.

4.3 It is the Governors' responsibility to ensure that there is a named Designated Safeguarding Lead (DSL) and that the school contributes to multi-agency working in line with Working Together to Safeguard Children (2018, updated Dec 2020).

4.4 Where there is a safeguarding concern, governing bodies, proprietors and school or college leaders should ensure the child's wishes and feelings are taken into account when determining what action to take and what services to provide. This has to be balanced with their duty to protect the victim and other children.

4.5 Where the School premises are used for non-school/college activities and the services or activities are provided under the direct supervision or management of the school staff, the schools arrangements for child protection and safeguarding apply. Where service or activities are provided by another body, the School must seek assurance that the body concerned has appropriate safeguarding and child protection policies and procedures in place and ensure they will liaise with the school on these matters as appropriate.

5.0 Designated Safeguarding Lead (DSL)

5.1 '*Governing bodies and proprietors should ensure an appropriate senior member of staff, from the school or college leadership team, is appointed to the role of designated safeguarding lead. The designated safeguarding lead should take lead responsibility for safeguarding and child protection (including online safety). This should be explicit in the role-holder's job description.*' (KCSIE 2021)

- 5.2** The Head Teacher must appoint one individual to be the lead DSL and make arrangements for there to be deputy DSL in place who will manage any immediate safeguarding incidents in the DSL's absence. The DSL must be an appropriate senior member of the leadership team and, along with deputies, will receive DSL training every two years.
- 5.3** The Head Teacher must ensure that job descriptions for DSL and Deputy DSLs are kept on personnel files and clearly state their responsibilities.
- 5.4** The DSL (or deputy) must always be available during school hours for staff to discuss any concerns.
- 5.5 The main responsibilities of the Designated Safeguarding Lead (DSL) are to:**
- provide support to staff regarding safeguarding concerns;
 - lead on advising staff of any action to be taken due to a safeguarding concern;
 - ensure that children and young people are immediately safeguarded from harm and abuse;
 - ensure that there is appropriate cover during their absence, and that staff know who to approach if the DSL is unavailable;
 - liaise with local authorities and other professionals, sharing information and fully assisting with any enquiries;
 - adopt a child-focused and holistic approach ensuring the child's wishes and feelings are taken into account when determining what action to take
 - refer allegations to the Local Authority Designated Officer or equivalent;
 - refer safeguarding concerns to placing and host local authorities;
 - refer suspected cases of radicalisation to Channel;
 - refer suspected case of Female Genital Mutilation to the police;
 - refer suspected cases of Child Sexual Exploitation and trafficking to the police;
 - refer cases to the Disclosure and Barring Service after staff have been dismissed or there is suspected harm having been caused to children and young people;
 - liaise with Outcomes First Group Quality Assurance Team and HR Team if any allegations or suspected harm having been caused to a child by an employee, supply staff or volunteer for Outcomes First group;
 - ensure that the school complies with the work of the local safeguarding partnership.
 - Ensure that all staff receive regular update training in relation to safeguarding;
 - provide safeguarding updates to senior managers and school governors;
 - ensure that there is effective monitoring and oversight of all safeguarding concerns;
 - promoting the educational achievements of Looked After Children in line with the Children and Social Work Act 2017.
- 5.6** It is important that all staff understand the role of the DSL on their appointment within the school and as part of their induction. The DSL is responsible for ensuring that all staff understand their roles and responsibilities regarding safeguarding children and that a child focused approach is taken. The DSL will assess safeguarding concerns within the context of young people's environments. This is known as contextual safeguarding.
- 5.7** The DSL must ensure that clear, concise and good quality documents are kept of all allegations or safeguarding concerns. All concerns, discussions and decisions made, and the reasons for those decisions, should be recorded in writing. Information should be kept confidential and stored securely. It is good practice to keep concerns and referrals in a separate child protection file for each child. Records should include:

6.2 This policy **must** be read in conjunction with Keeping Children Safe in Education (2021). **All staff are expected to follow this policy and statutory guidance including KCSIE 2021.**

6.3 All staff must read the following documents:

- Part 1 (or Annex A where appropriate) of [KCSIE 2021](#)

6.4 Safeguarding updates must be regularly provided to staff, either through face-to-face training, meetings or through regular written updates.

- Face to face safeguarding training must be provided (and recorded) to **all staff at least annually.**
- **DSL** must refresh their advanced training **at least every two years.**

6.5 All members of school leadership teams, including the Head Teacher and DSL should also be familiar with **Working Together to Safeguard Children 2018** (updated Dec 2020).

7.0 Roles and Responsibilities of Staff

7.1 Outcomes First Group recognises that it is not just one person's role to safeguard children, it requires a collective approach to safeguarding. All Outcomes First group employees must understand their roles and responsibilities regarding keeping children safe and reporting concerns.

7.2 During staff induction, staff will receive safeguarding training, including online safety. Staff must be familiar and understand the role of the DSL, the local safeguarding partnership and the individual systems relating to safeguarding within the school. Staff must also know, understand and implement the school's behaviour management policy, the child protection

a friend may make a report, or a member of school or college staff may overhear a conversation that suggests a child has been harmed or a child's own behaviour might indicate that something is wrong. If staff have any concerns about a child's welfare, they should act on them immediately rather than wait to be told.

13.4 Staff must act immediately and report any concerns regarding peer-on-peer abuse to the DSL.

13.5 Peer on peer abuse is most likely to include, but may not be limited to:

- bullying (including cyberbullying, prejudice-based and discriminatory bullying);
- abuse in intimate personal relationships between peers;
- physical abuse such as hitting, kicking, shaking, biting, hair pulling, or otherwise causing physical harm
- sexual violence, such as rape, assault by penetration and sexual assault
- sexual harassment, e.g. sexual comments, remarks, jokes and online sexual harassment, which may be standalone or part of a broader pattern of abuse;
- causing someone to engage in sexual activity without consent,
- consensual and non-consensual sharing of nude and semi-nude images and or videos
- upskirting
- initiation/hazing type violence and rituals (this could include activities involving harassment, abuse or humiliation used as a way of initiating a person into a group)

These forms of abuse can happen inside or outside of school both offline and online.

13.6 A contextual safeguarding approach must be taken when considering possible peer-on-peer abuse. Children and young people who display harmful behaviours must be seen as potential victims themselves, and the wider environmental risks must be taken into account. Staff must challenge any gender bias or derogatory language used by staff or pupils. Staff must not dismiss any concerns brought to them by pupils. Staff can report concerns verbally, but they must ensure that all concerns are recorded onto the schools Electronic recording system by the end of the school day.

13.7 When making decisions about how to deal with allegations, the age and understanding of the young person who has displayed harmful behaviour must be taken into consideration, as well as any relevant personal circumstances and how this relates to their behaviour. Schools must consider any disparity in age between the young person who has displayed harmful behaviour and the victim, the impact the behaviour has had on the victim, and any element of coercion or violence.

13.8 DSL must deal with any concerns of peer-on-peer abuse immediately and sensitively. As much information as possible must be gathered from the victim and the young person who has allegedly displayed harmful behaviour in order to gain the facts of what has happened.

13.9 The language used must be sensitive, non-judgemental and must not blame the victim. Victims must be supported and reassured that their safety and welfare within the school is the priority. Risk assessments must be implemented where necessary.

13.10 Where the DSL believes that there has been significant harm caused to the pupil, a referral must be made to the local authority immediately. In agreement with the local authority,

the local authority. If the child or young person discloses immediate safeguarding concerns, the DSL must share this information with the police.

18.0 Child Sexual Exploitation (CSE) and Child Criminal Exploitation (CCE)

18.1 Exploitation of children and young people is a form of child abuse and can include sexual exploitation or criminal exploitation. This occurs when an individual or group takes advantage of an imbalance in power to coerce, manipulate or deceive a child into taking part in sexual or criminal activity, in exchange for something the victim needs or wants, and /or for financial advantage or increased status of the perpetrator or facilitator and/or through violence or the threat of violence.

18.2 CSE and CCE can affect children, both male and female and can include children who have been moved (commonly referred to as trafficking) for the purpose of exploitation. It is important to note that the experience of girls who are criminally exploited can be very different to that of boys. The indicators may not be the same, however professionals should be aware that both boys and girls can be at risk of criminal exploitation. Both boys and girls being criminally exploited may be at higher risk of sexual exploitation.

18.3 Schools must write and implement a local exploitation procedure which staff must be familiar with. All staff **must** read Outcomes First Group's Exploitation policy as well as refer to Keeping Children Safe in Education (2021).

18.4 All staff **must** know the definitions, signs and indicators of CSE, CCE and County Lines. DSL must provide ongoing training and learning to staff around exploitation. All staff **must** have training in exploitation.

18.5 Staff **must** report any concerns regarding exploitation **immediately** to the DSL and document their concerns appropriately **on the same day**. Where there are immediate concerns relating to children and young people's safety due to exploitation, DSLs must make a same day referral to the local authority and report the concerns to the police as well as to the Regional Director for Education and Care.

18.6 Where there are low level concerns, i.e. where the behaviour towards a child does not meet the threshold of harm, the DSL must document the concerns on a chronology in order to establish a full picture of what is happening for the child or young person.

A low-level concern is any concern, no matter how small, and even if no more than causing a sense of unease or a 'nagging doubt', that an adult working in or on behalf of the school may have acted in a way that is inconsistent with the staff code of conduct, including inappropriate conduct outside of work, but does not meet the allegations threshold or is not considered serious enough to consider a referral to the Local Authority Designated Officer or equivalent. Examples may include but are not limited to: being over friendly with children; having favourites; engaging with a child on a one-to-one basis in a secluded area or behind a closed door; or using inappropriate sexualised, intimidating or offensive language.

18.7 It is everyone's responsibility to help children and young people know about grooming and exploitation. Schools must ensure that children and young people know who to talk to if they have any concerns for themselves or other children.

19.0 Serious violence

- 19.1** All staff should be aware of indicators, which may signal children are at risk from, or are involved with serious violent crime. These may include increased absence from school, a change in friendships or relationships with older individuals or groups, a significant decline in performance, signs of self-harm or a significant change in wellbeing, or signs of assault or unexplained injuries. Unexplained gifts or new possessions could also indicate that children have been approached by, or are involved with, individuals associated with criminal networks or gangs and may be at risk of criminal exploitation.
- 19.2** All staff should be aware of the range of risk factors which increase the likelihood of involvement in serious violence, such as being male, having been frequently absent or permanently excluded from school, having experienced child maltreatment and having been involved in offending, such as theft or robbery.

Further guidance for professionals can be found here:

<https://www.gov.uk/government/publications/criminal-exploitation-of-children-and-vulnerable-adults-county-lines>

20.0 Female Genital Mutilation

- 20.1** In line with KCSIE (2021), teachers have a legal duty to share concerns regarding FGM; 'If a **teacher**, in the course of their work in the profession, discovers that an act of FGM appears to have been carried out on a girl under the age of 18, the teacher **must** report this to the police'. In suspected cases of FGM, staff must refer to the local authority as well as the police. The DSL will assist and support staff with this.
- 20.2** Staff must read and be familiar with statutory guidance regarding reporting FGM 'FGM Fact sheet': <https://www.gov.uk/government/publications/female-genital-mutilation-leaflet>
- 20.3** The DSL must ensure that immediate concerns regarding potential abuse, harm, honour-based abuse including FGM, forced marriage and breast ironing, CSE and Trafficking or Radicalisation are shared **immediately** with the relevant Regional Director for Education and Care (and Chair of Governors) and that staff have documented them appropriately.

21.0 Preventing Radicalisation

- 21.1** Outcomes First Group fully recognises its responsibility to have arrangements in place to safeguard and protect children from radicalisation. Section 26 of the Counterterrorism and Security Act 2015 places a statutory responsibility on schools to 'have due regard to the need to prevent people from being drawn into terrorism'. This is known as the 'Prevent' duty.
- 21.2** All staff must be aware of the signs and indicators of radicalisation. Staff must be proactive in reporting any concerns, regardless of how small they may be, to the DSL who must assist staff to report all concerns regarding radicalisation to the Police as well as the

Regional Director for Education and Care. Staff must document their concerns appropriately.

21.3 All staff must be aware of the local procedures relating to reporting radicalisation concerns.

22.0 Children Requiring Support with their Mental Health

22.1 Outcomes First Group recognises that schools have an important role in supporting the health and wellbeing of children and young people. Mental ill-health can be an indicator of a child suffering or at risk of abuse, neglect or exploitation. All schools should have systems in place for identifying mental health problems and referring to appropriate agencies for additional support. This will ordinarily be with the consent of the child and their family. All details of concerns and any referrals or other support arranged for the child should be documented on the schools electronic recording system.

22.2 Schools can refer to the Mental Health and Behaviour in Schools guidance (2018) <https://www.gov.uk/government/publications/mental-health-and-behaviour-in-schools--2> The guidance provides advice on how to create a whole school culture in promoting positive mental health outcomes for children and young people.

23.0 Physical Interventions

23.1 While every school creates an atmosphere of nurturing, unconditional positive regard and warmth, Outcomes First Group recognises that on occasion it may be necessary to use physical intervention to keep a child or young person safe. Physical intervention must be a last resort and must always be proportionate. Once the child is safe and calm, it is essential that there is a debrief with the child. It should be an open discussion with the member of staff encouraging the child to talk about how they feel and understand what happened.

The intervention and the follow-up action must be recorded on the School's Electronic Recording System.

23.2 All staff must read and know the school's individual Physical Intervention Policy.

23.3 If a child or young person makes an allegation after a physical intervention, it is important that the member of staff writes down as much information as possible. Staff must complete body maps immediately after the event and make an appropriate electronic record. Staff must also verbally inform the DSL (or deputy) as well as recording it onto the schools electronic recording system. **Medical attention must always be sought for the young person.** Staff must inform their parents or carers. Allegations of harm relating to physical interventions must be reported to the Regional Director for Education and Care, the Group Head of Safeguarding (anne-marie.delaney@ofgl.co.uk) Local Authority Designated Officer or equivalent.

24.0 Allegations against Staff

24.1 An allegation is any concern, complaint or disclosure that indicates a member of staff, agency staff or volunteer or has:

- Behaved in a way that has harmed a child or may have harmed a child
- Possibly committed a criminal offence against or relate to a child
- Behaved towards a child or children in a way that indicates he or she may pose a risk of harm to children; or
- Behaved or may have behaved in a way that indicates they may not be suitable to work with children.

24.2 All allegations must be treated seriously. Staff must maintain an open mind and suspend all judgement. Allegations must never be dismissed. When managing allegations, it is important that staff maintain a level of professional curiosity. Staff have a responsibility to look after themselves and not to place themselves into situations which could present as unsafe. Staff must report any concerns to the Regional Director for Education and Care and the DSL.

24.3 When a child makes an allegation about a member of staff, the member of staff receiving the complaint must:

- write everything down and document it on the electronic recording system used by the school.
- immediately report the allegation to the DSL (or deputy).

The DSL must:

- take all allegations seriously regardless of whether a child or young person has made previous allegations and can speak to the Local Authority Designated Officer or equivalent and seek advice about next steps on the same day.
- Must report allegations to the Local Authority Designated Officer or equivalent within one working day.
- Ensure that they follow the Outcomes First Group's Managing Allegations Procedure.

24.4 Part four of Keeping Children Safe in Education (2021) outlines the importance of retaining oversight of any concerns or allegations about agency or supply staff, volunteers or any member of staff employed by a third party working in the school setting. Whilst the individual may not be employed by Outcomes First Group, **schools must ensure** that allegations are managed properly. KCSIE (2021) states *'In no circumstances should a school or college decide to cease to use a supply teacher due to safeguarding concerns, without finding out the facts and liaising with the LADO to determine a suitable outcome. Governing bodies and proprietors should discuss with the supply agency or agencies where the supply teacher is working across a number of schools or colleges, whether it is appropriate to suspend the supply teacher, or redeploy them to another part of the school or college, whilst they carry out their investigation.'*

24.5 If the allegation is regarding the Head Teacher/Principal then the Regional Director for Education and Care must be informed immediately. They will then seek advice from the Local Authority Designated Officer (or equivalent).

24.6 **All allegations made against staff must be reported to the Regional Director for Education and Care and HR and the Group Head of Safeguarding, and to safeguarding@ofgl.co.uk. Outcomes First Group recognises that managing allegations can be challenging and so will support with the process.**

24.7 It is the responsibility of the DSL to ensure that all allegations are managed in line with local safeguarding partnership procedures.

25.0 Working with the Local Authority Designated Officer (or equivalent)

25.1 In all referrals, the DSL is the lead professional within the school for ensuring that a timely response is received from the local authority. If a response is received which the DSL believes is inappropriate and does not prioritise the child or young person's safety, this must be escalated to the Head Teacher or Governors of the school to agree further action.

26.0 Whistleblowing

26.1 Safeguarding is everyone's responsibility. Outcomes First Group recognises that on occasion staff may feel that they are unable to tell someone within their immediate place of work about any safeguarding concerns that they may have. The Group also recognises that children will be unable to voice their concerns if they are in an environment where staff also fail to voice their concerns.

26.2 All staff have a duty first and foremost to the children in their school. Any concerns, regardless of how small they may seem, must be reported. DSLs and Head Teachers have a responsibility to ensure that they create an environment where staff feel safe to openly voice any concerns and feel listened to. It is also important that staff feel supported if concerns are raised about them. If staff see or hear about other colleagues' practice which they are concerned about, which potentially may cause emotional or physical harm to a pupil, or if the standard of care being provided falls short of expectations, they must report this.

26.3 Outcomes First Group has an anonymous telephone support system (Safecall) where staff are able to share any concerns that they may have, safely and without fear of reprisal. All whistleblowing concerns will be taken seriously and treated as such.

26.4 Staff can call Safecall on **08009151571**, report online **www.safecall.co.uk/reports**, or email **outcomesfirstgroup@safecall.co.uk**

27.0 Covid-19 and disruption to schools

27.1 The Covid-19 Pandemic has caused significant disruption to education settings during the last two academic years. The safeguarding of children and young people always remains the highest priority in all circumstances. Whilst it is anticipated that the impact of Covid-19 will decrease, the school continues to have clear procedures in place for reducing the risk and spread of infection, managing cases/suspected cases, self-isolation and remote learning.

27.2 The School will:

- Keep up to date with the latest government legislation and guidance and ensure it is followed.
- Follow the system of controls to minimise the risk of infection.

27.6.1 Acorn Digital Learning have produced a Live Online Risk Assessment, and Student Remote Learning policy and template, that have been shared with all Outcomes First Group schools and can be utilised as required.

27.6.2 Data protection and GDPR considerations must be taken into account. This includes rules on signing pupils up to online services, and staff accessing personal data when working at home. It is recommended that staff are regularly reminded of the data protection and GDPR policies and procedures, whether they are working from school or remotely.

27.6.3 The guidelines for digital leaning below must be followed:

- Ensure parents and carers are aware of online safety advice and resources such as [Thinkuknow](#) and [Safer Internet Centre](#)
- A link to [ParentInfo](#) should be on the school's website – this DfE backed website provides parents with up-to-date information about a range of topics.
- If staff are concerned about a comment made online by a pupil or the work they share, the staff member should take a screen shot and report it to the DSL via MyConcern / CPOMS (or the school's existing protocol as long as it is secure).
- Staff and pupils should be fully dressed and take into account the background/surroundings. Staff should use a communal area, and anything in the background that could cause concern or identify family members/ personal information, should be removed or a sheet should be used.
- The teacher may need to give guidance to pupils to remove items from view. If a pupil is inappropriately dressed or in an unsuitable setting (e.g. a bedroom) they must be removed from the video call.
- Staff must not enter into one-to-one tuition voice or video call with an individual pupil or student without SLT agreement. If there is a need for single pupil interaction, please ensure that a colleague is added to the call, or that a parent is present with the pupil
- If a staff member urgently needs to call a parent or pupil from their personal phone, the number must be withheld by dialling 141 first and a record of the call must be made (e.g. an email to the HSM, DH or DSL to explain the purpose of the call and any actions taken as a result of it)
- Home filters may block different content at a different level to the school's filtering software; if this appears to be the case for one pupil in the group the teacher should revert to or suggest an alternative resource.
- Take care that any material provided to students to watch is age and developmentally appropriate. For instance, do not ask Year 9 pupils to watch a film with a 15 rating.
- Staff should model good online behaviour in all ways, including the language used to interact with pupils and colleagues, which should be respectful at all times

- School leaders should make clear to staff the operating times for online learning (for example, only during the normal school day); no staff member should engage with or respond to any pupil outside these times.
- Clear guidelines for students connecting to a virtual classroom session will be given by the school and the teacher will check their understanding.
- The same principles apply to virtual meetings between staff and parents as face-to-face meetings

27.7 Home visits

Where staff need to make home visits, they should be mindful of their own wellbeing and safety if conducting visits to the homes of children and their families. Follow the school's lone working procedure and guidance. This should prescribe that you must at least inform another member of staff of your whereabouts and the time you plan to return to the school. Wherever possible, arrange for a colleague to accompany you. This is particularly important for visiting households with identified risks to the safety of professionals. You should discuss and assess those risks with the appropriate local authority.

28.0 Policy Review

This policy will be reviewed annually, as a minimum to ensure it is kept up to date with safeguarding issues as they emerge and evolve. Where necessary, updates will be made during the year.
